Simply achieve \$1200 PQV (two average parties) by the end of your first full month and your \$199 starter kit fee is waived. You earn \$600+ in P2P fashions and business tools... and your initial shipping cost of \$19.95 (plus tax) is all you pay. If by the end of your calendar month, you have not achieved \$1200 PQV, you agree that you will be charged the original kit price of \$199 plus tax.
