

## Superb Amenities

Of course, your airy room (most spacious on the island) provides the perfect place to re-energize after each busy day and night. Drink in the Caribbean breezes on your private balcony then call it a night as you sink into your luxurious bed to dream sweet dreams of tomorrow. Delicious dining is never far away with seven restaurants and bars on-site, including Ruth's Chris Steak House, Ketsu Sushi Bar and Simply Fish. Keep the pounds off with a session in the fitness center, a quick jog or a dip in the H2 Oasis Adult pool.

Fun is everywhere you turn! Sample the charms of the Stellaris® Casino, bid farewell to your cares in the Mandara Spa or stroll down to Palm Beach.

## Aruba

This "jewel box" of an island may be tiny in size (19½ miles long and 6 miles wide), but Aruba offers an amazing array of activities.

After a relaxing round of golf or game of tennis, visit an underwater reef, do a little sightseeing and wrap up the day with a sunset walk on the beach.

Adventurers can tour the wilder side of Aruba and then ease back into reality with an indulgent spa treatment.

Shopaholics will find it hard to resist the impressive array of shops and will love, love, love the duty-free shopping!

your  
dreams  
come  
true!
